

Bangkok, 19.1.2023

Sawasdee Kha,

It is a longstanding tradition of the RIS Swiss-Section Bangkok to hold the annual graduation ball (Maturaball) in June. The event will take place on June 10, 2023. We consider the Maturaball as one of the highlights of the school year.

The ball marks an exclusive social event with 200 guests from Thailand, Switzerland, Germany and Austria in a festive atmosphere where high respected members of society, economics, politics and media meet.

In the exclusive ambience of the “*Carlton*” in Bangkok, there will be a special night program for our guests. The senior class is organizing the prom and will also accompany you throughout the evening. The theme of this year's prom is *Reaching for the Stars* where you can enjoy a wonderful evening under the *Starry Night*.

Financing this event is an important part of the preparation work, as the cost of an event of such dimension cannot be covered entirely by entrance fees, which is why we would like to ask kindly for your support.

Part of the money will be donated to the special needs school Sri Sangwan in Khon Kaen.

We would highly appreciate a donation to help fund the event. For further information, please note the details on the second page. Donations to our raffle will also be greatly appreciated. If you choose to contribute money, we will thank you by sending you one free ticket per THB 10'000 that you have donated.

We would like to thank you in advance for your generous support and are looking forward to hearing from you soon.

Sincerely,

Nina Beck
